gan. 22-1f

H. F. Hillenmeyer, the nursery-  
man, is quoted in the Lexington  
Herald as saying that most of the  
peaches are killed and that black-  
berries and raspberries have been  
cut short. The apple crop is safe  
however, and indications are that  
strawberries, cherries, plums, pears  
and grapes will be plentiful.

President Clarence LeBus, of the  
Burley Tobacco Society, has sold to  
the American Tobacco Company,  
300,000 pounds of Burley Tobacco.  
The tobacco is said to be stored in  
Cynthiana, in 300 hogheads, and is  
Mr. LeBus' private holdings from an  
old crop. The price could not be  
learned but it was said to be a  
good one.

G. Murrell Middletown, of Shelby-  
ville, sold the yearling boar, Duke's  
Conqueror 151016, to Elmendorf  
Farm, Lexington, for \$135. A. P.  
Shropshire, formerly of Centerville,  
who has charge of the Swine De-  
partment at Elmendorf, after seeing  
this boar and his get, bought him  
without a word, and stated that it  
was his intention to show this hog  
at all big State fairs this year.

At the mule sale of James Ellis,  
at Owensboro, fifty head were sold  
at prices from \$450 to \$500 per  
pair. They were large animals, and  
ranged from 15 1-2 to 16 1-2 hands  
high.

Kentucky Colonel, full brother to  
Kentucky Choice, a three years old  
purchased by Louisville parties for  
\$3,000, is now training at the farm  
of R. Walter Briggs near Shelby-  
ville. This is the highest price ever  
paid for a three year old saddle colt.

Joe Ross sold a nice driving  
horse by Naboth to L. M. Suter last  
week. He got \$140 for him, and Joe  
says that the nag was dirt cheap  
at that; he really felt like he was  
giving him away.

Last week's issue of the Farmers'  
Home Journal printed a nice picture  
of Jacquiline, bred by Dick Scudder  
of this county. Under the cut it  
said: This mare is an "exquisite"  
representative of the famous Rex  
Peavine family of show horses. She  
has her dam Katherine Hugely  
4929 by Chester are 16. There is  
perhaps no finer three-year-old in  
Kentucky. She was shown suc-  
cessfully as a yearling by R. S.  
Scudder who then owned her and  
last year by Walter Briggs, of Shel-  
byville, Ky. This year she will be  
exhibited by Mat Cohen, of Lexing-  
ton. Jacquiline is now owned by H.  
O. Hurley, of Louisville, Ky.

W. D. Mountjoy, of Lawrenceburg  
has purchased of Joe Wright, June-  
town City, Ky., a splendid young  
jack at \$1,000.

them at Nunneley's stock pens. S.  
J. Myers, Stanford. 27-1p.

B. F. Robinson, of Richmond, closed  
a deal several days ago whereby  
he secured possession of one of the  
best farms in Boyle county. He pur-  
chased from R. L. Gose his farm lo-  
cated a short distance from Danville  
for a consideration of \$102 per acre.

### BIG CROWD WELCOMES FARMERS' SPECIAL TRAIN

Overflow Meetings Held Here To  
Listen To Expert Lecturers on  
Agricultural Topics.

Fully a thousand people gathered  
at the depot Saturday afternoon,  
to see the Farmers' Train sent out  
by the State Board Department of  
Agriculture, to educate the farmers  
of the state in farming along more  
scientific lines. The train, consist-  
ing of nine coaches, loaded down  
with farm exhibits remained here  
two hours, during which time, large  
crowds gathered about the various  
lecturers, who talked on different  
branches of farm work to the crowds.

The train was in charge of Com-  
missioner of Agriculture J. W. New-  
man, and Director of the State Ex-  
periment Station M. A. Scovell. Mr.  
Newman made a short address to  
the people, telling of the purposes of  
the train and of the work of the de-  
partment. He was introduced to the  
Lincoln county people by Mr. S. T.  
Harris.

Before coming to Stanford the  
train, made a stop at Crab Orchard  
and other points farther up on the  
L. & N. The Courier Journal re-  
porter who was aboard had this to  
say of the meetings at the different  
points in this section of the state:

Among the visitors at Mt. Vernon  
were girls from Brown Memorial  
School, accompanied by Miss Rose  
McCord, the principal; boys and  
girls from the Welch-Morrow School  
accompanied by Miss Ida May  
Adams, principal, and pupils of the  
city schools. The horticultural car,  
in which Prof. G. D. Smith, of the  
Eastern Kentucky Normal School,  
discussed fruit growing, attracted  
many farmers from the country. Prof.  
Smith has a 300-acre farm in  
Rockcastle county, which he is put-  
ting out in fruit trees. He has 19,  
000 peach and apple trees growing  
in his nursery and this spring he is  
planting four bushels of peach  
seeds and is setting out 7,000 grafted  
apple trees. He is planting also  
200,000 forest trees, including the  
hardy catalpa, black walnut, black  
locust and fifteen other varieties. He  
is testing 185 varieties of apples,  
peaches, pears, plums and grapes,  
as to hardiness and adaptability to  
conditions. Prof. Smith says much  
of the land of Rockcastle county is  
adapted to fruit growing. During  
the week just ended Prof. Smith has  
distributed at the different places  
visited six pecks of peach seeds and  
2,500 grafted apple trees, 1,500 of  
which he grafted in the presence of  
the audiences.

Commissioner Newman, Director  
Scovell and others visited and in-  
spected the limestone quarry of W.  
J. Sparks & Co., half a mile from  
the Mt. Vernon station. This plant  
has been turning out crushed stone  
for railway ballast and road making  
only, but the proprietors are prepar-  
ing to put in a pulverizer and pre-  
pare limestone dust for use on soil.

This is one of the things Joseph E.  
Wing has been advocating on this  
tour.

Only half an hour was spent at  
Brookhead, that stop having been ar-  
ranged for after the original sched-  
ule was announced.

An hour and a half was spent at  
Crab Orchard.

Overflow meetings had to be held  
at Stanford, Miss Aubyn Chinn  
speaking to a group of women from  
a warehouse platform and Mr. Mar-  
tin made a gathering of men from a  
baggage truck. Nearly every busi-  
ness house and office in Stanford  
was closed for an hour during the  
special's stay here. The Stanford  
citizens called the attention of the  
travelers to the town's new railway  
station and courthouse which they  
claim to be the best buildings of the  
kind to be found in any Kentucky  
town the size of Stanford.

Mrs. Martin has organized home  
economics clubs auxiliary to the far-  
mer's institutes with these presidents  
Winchester, Mrs. H. M. Jones, with  
Mrs. Abram Renick, Mrs. L. B.  
Cockrell, Mrs. Stanley Clay and Mrs.  
Nancy McClure in charge of country  
districts. Richmond, Mrs. G. D.  
Smith; Mt. Vernon, Mrs. Henry H.  
Watson, Crab Orchard, Mrs. J. C.  
Bailey, with Miss Roxy Spangler in

charge of a country district, Stan-  
ford, Mrs. G. G. Perry.

### PARKSVILLE

Mrs. Herbert Glasco and baby,  
of Stanford, are visiting Mr. and  
Mrs. L. C. Rose.

Miss Ova May, who is still con-  
fined to her room is apparently bet-  
ter some days. It is now stated that  
she has symptoms of appendicitis.

Mr. Thomas Underwood has lost  
15 pigs; 1 shoot and a fine brood  
sow in the last two weeks from what  
is supposed to be cholera. Every-  
one sympathizes with him in his loss.

Mr. John J. Cozatt has had the  
forms made and his men have be-  
gun the erection of the concrete  
foundation for the mill which he is  
to erect at this place. Weather  
permitting, the work will progress  
rapidly and will possibly be ad-  
vanced sufficiently, at least the ele-  
vator, to store the growing crop of  
wheat.

### NO CAUSE TO DOUBT

A Statement of Facts Backed by a  
Strong Guarantee

We guarantee immediate and pos-  
itive relief to all sufferers from  
constipation. In every case where  
our remedy fails to do this we will  
return the money paid us for it.  
That's a frank statement of facts,  
and we want you to substantiate  
them at our risk.

Reflux Orderlies are eaten just like  
candy, are particularly prompt and  
agreeable in action, may be taken  
at any time, day or night; do not  
cause diarrhoea, nausea, griping  
excessive looseness, or other unde-  
sirable effects. They have a very  
mild but positive action upon the  
organs with which they come in con-  
tact, apparently acting as a regu-  
lative tonic upon the relaxed muscu-  
lar coat of the bowels, thus over-  
coming weakness, and aiding to re-  
store the bowels to more vigorous  
and healthy activity.

Reflux Orderlies are unsurpass-  
able and ideal for the use of chil-  
dren, old folks and delicate per-  
sons. We cannot too highly recom-  
mend them to all sufferers and form  
of constipation and its attendant  
evils. That's why we back our faith  
in them with our promise of money  
back if they do not give entire satis-  
faction. Three sizes: 12 tablets 10  
cents, 36 tablets 25 cents and 86  
tablets 50 cents. Remember, you  
can obtain Reflex Remedies in Stan-  
ford only at our store, Penny's Drug  
Store. The Reflex Store.

### ANNOUNCES FOR ASSESSOR

Announcement of his candidacy  
for the democratic nomination for  
Assessor of Lincoln county is made  
in this issue of the L. J. by P. L.  
Beck, one of the best known young  
democrats in this section. Mr.  
Beck's friends say he is out to win,  
and believe he has a splendid  
chance to win this nomination. He  
issues a card to the voters, in  
another column.

## Germs Spread in Skin

Eczema, Psoriasis and other skin  
troubles are caused by myriads of  
germs at work in the skin. Unless  
these germs are promptly destroyed  
they rapidly multiply, gnawing their  
way deep into the sensitive tissue.  
This is what causes that awful itch,  
and what seemed a mere rash  
may grow worse and develop into a  
bathhouse and torturing skin disease  
with its years of misery.  
Don't take any chances! Destroy the  
germs at the beginning of the trouble  
with that soothing and cleansing wash,  
the D. D. D. Prescription for Eczema.  
A 25c bottle will prove this to you.

We have had experience with many  
remedies for skin trouble but have  
never seen such remarkable cures as  
those from D. D. D. Prescription. In-  
stant relief from the very first appli-  
cation.  
We are so confident that D. D. D.  
will reach your case that it will cost  
you nothing if the very first full size  
bottle fails to make good every claim.  
If you have skin trouble of any  
kind, we certainly advise you to drop  
in and investigate the merits of D. D. D.  
anyway. We know that D. D. D.  
will help you.
